

“UK-JAPAN Life Innovation Symposium”
22 & 23 February 2016
Tokyo Branch Kyoto University & LiSE KING SKYFRONT
Shinagawa & Kawasaki, Japan

Day 1 February 22

Tokyo Branch Kyoto University

“UK-Japan Regenerative Medicine(RM) UPDATE”

Registration 12:30-13:30

Moderator: Takashi Asada, Kyoto University

13:30-13:35

Introduction of VIPs: [Takuma \(AMED\)](#), [Yoshioka\(SCA\)](#) etc.

13:35-14:00

1. Welcome and opening remarks by [Norio Nakatsuji \(WPI-iCeMS\)](#)

“Introduction of AMED Nakatsuji Project”

2. UK-JAPAN RM Update:

14:00 – 14:40

[Cris Mason](#), Chair of Regenerative Medicine Bioprocessing, UCL

“The UK Cell and Gene Therapy Landscape“

14:40 –15:20

[Johan Hyllner](#), CSO, Cell Therapy Catapult

“Opportunities and Challenges to Increase Cell Therapies in Clinical Trials and Clinical Use”

15:20-16:00

[Hideyuki Okano](#), Dean, Keio University Graduate School of Medicine

“Challenge toward Spinal Cord Injury and using iPS cell Technologies”

Coffee Break

16:00-16:20

3. Panel Discussion: Future perspective of RM

16:20-17:20

Moderator: [Takashi Asada](#), Professor, Frontier Medical Sciences, Kyoto University

Panelists including:

[Norio Nakatsuji](#), Professor WPI-iCeMS Kyoto University

[Hideyuki Okano](#), Dean, Keio University Graduate School of Medicine

[Chris Mason](#), Professor, Chair of Regenerative Medicine Bioprocessing, UCL

[Johan Hyllner](#), CSO, Cell Therapy Catapult

4. Closing Remarks

17:20-17:25

[Yasuhiro Yoshioka](#), President, Stem Cell Evaluation Technology Research Association(SCA)

5. Networking Reception

17:30-19:30

Hosted by [AMED Nakatsuji SPL](#), co-hosted by [SCA & Kyoto SMI](#) and Sponsored by [METI, SDI](#)

Day 2 February 23

LiSE KIGS SKYFRONT

“UK-JAPAN LIFE INNOVATION 2016”

Registration 12:30-13:00

Moderator: **TBC** from Kanagawa Prefectural Government

1. Introduction

13:00-13:35

- Welcome and opening remarks by **TBC** from Kanagawa Prefectural Government (5 min)
- “Introduction of KINGS SKYFRONT” by **TBC** from Kawasaki City (10min)
- ”Strategies for commercialization of regenerative and cellular medicine” by **Kentaro Yamaguchi** Vice Director-General Healthcare New Frontier, Kanagawa Prefectural Government (10min)
- ”Health and Medical Strategy in Japan” by **Toshio Miyata** Executive Director, Health and Global Policy Institute (10min)

2. Growing Innovation in UK

13:35-14:05

Johan Hyllner, CSO, Cell Therapy Catapult

“Accelerating the Growth of the Cell Therapy Industry by Supporting Commercialisation”

14:05-14:35

Cris Mason, Chair of Regenerative Medicine Bioprocessing, UCL

“Opportunities for UK-Japan Collaborations in Cell and Gene Therapy”

3. Business Update UK & Japan

14:35-15:15

Margaret Anne Craig, CEO, Clyde Biosciences (10min)

Sinclair Dunlop, Managing Director Epidarex Capital (10min)

Fusako Nishigaki Vice Chair Steering Committee, FIRM (10min)

Takanori Kuno, Head Medical Care Promotion Division, CYBERDYNE Inc.(10min)

Coffee Break

15:15-15:40

4. Panel Discussion: Future Collaboration between UK & Japan for Life Innovation

15:40-17:10

Moderator: **Shintaro Sengoku**, Associate Professor, Tokyo Institute of Technology

Panelists including:

Norio Nakatsuji, Professor WPI-iCeMS Kyoto University

Yoji Sato, National Institute of Health Sciences - Head, Division of Cellular & Gene Therapy Products

Erika Sasaki, Laboratory Head, Central Institute for Experimental Animals

Toshio Miyata Executive Director, Health and Global Policy Institute

Johan Hyllner, CSO, Cell Therapy Catapult

Chris Mason, Chair of Regenerative Medicine Bioprocessing, UCL

5. Closing Remarks

17:10 – 17:15

TBC from Kanagawa Prefectural Government

6. Networking Reception

17:30-18:30

Hosted by Kanagawa Prefecture, co-hosted by Kawasaki City, AMED Nakatsuji SPL & SDI Japan, and sponsored by SCA, FIRM & METI.
